

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing, Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

At the close of last year the County Commissioners created the office of General Nightwatch at the Court House and appointed Elmer Studabaker to the position, beginning January 1st. But he didn't assume his duties for the very good reason that Prosecutor Yount took a hand in the business and instituted injunction proceedings in Judge Allread's court against the Commissioners, on the ground that it would be a needless and unnecessary expenditure of the public funds, it having been agreed to pay Studabaker \$14 a week for his services. Judge Allread allowed a temporary injunction, until the case could be tried on its merits. Prosecutor Yount is being congratulated and sustained by the people generally for his action in this matter, as the majority of citizens, both Republicans and Democrats, consider it a useless and foolish expenditure of money and think the office was created more for the purpose of affording a soft snap for a party worker than anything else. The outcome of this case will be eagerly looked for, especially by the taxpayers of the county.
